

Do you want to be a Franciscan ?
Come Follow Me.....!(Mt 9:9)

FRANCISCANS WELCOME YOU

“The harvest is plentiful, but the laborers are few” (Mt. 9:38), says Jesus. Today, the Church continues to face a shortage of priests to carry out its mission and serve the faithful.

As Franciscan (OFM) Friars, we dedicate our lives to serving God and His people around the world. Yet, the need is great, and more vocations are essential to meet the spiritual needs of the Church.

We appeal to parishioners and the faithful: **encourage your children to consider a vocation with the Franciscans.** The Church cannot exist without priests, and priests cannot exist without the support and witness of faithful families.

Come, Brothers—Come and Serve the Lord and His people.
